HILL SUCKLER COW HERD DISPERSAL

Wednesday 21st October 2020

Within the Annual Prize Show & Sale of Beef Breeding Cattle

The Hepple Whitefield Herd of Angus Cross Suckler Cows

On behalf of Messrs J Robson & Sons

This important dispersal offers the opportunity to purchase home-bred stock cows from one of the longest-established herds of Aberdeen Angus cross hill-going suckler herds within The Coquet valley that consistently figures highly within the special sales of native breed store cattle at Hexham Auction Mart. The top quality herd comprises of Forty three-quarter and seven-eighths bred Aberdeen Angus cross cows in regular ages that summer at 1000ft above sea level with their spring born Angus calves at foot having been diagnosed in-calf again to the same two pedigree stock bulls 'Rawburn Black Brando' & 'Rawburn Edmonton'. Hepple Whitefield sits within the four year testing TB parish of Hepple & Woodside and the herd is BVD vaccinated & farm assured.
